

June 11, 1958

Mr. Lewis H. Stoll
Green River, Wyoming

Dear Mr. Stoll:

Re: Burnt Fork River
Distribution System

Miss Nancy Humphrey of American Surety Company, Salt Lake City office, requested you to complete and return an application for a performance bond in her letter of May 23, 1958. After talking with her on the telephone this morning it was found that you have not submitted the requested application. If you have not mailed this form to Miss Humphrey would you please do so at once as it is necessary that all water commissioners and their deputies in Utah be bonded.

Your cooperation in completing and returning necessary documents will be appreciated. Thank you.

Very truly yours,

T. Vinton Smith
Assistant Chief Accountant
